Welcome to this stunning Blackrock-built bi-level in desirable Northridge, showcasing gorgeous décor and thoughtful design throughout. This home offers 3 bedrooms and 2 full bathrooms with a HEATED garage, including a spacious primary suite with a large ensuite. Soaring 12-foot ceilings in the living room create an open and airy feel, while the 9-foot ceilings in the basement add to the sense of space and comfort. Basement is currently partially developed to have an additional 2 bedrooms bathroom and rec room. Backing onto peaceful greenspace you really can enjoy this backyard with the 2 tiered deck, this home offers both style and serenity in a fantastic location!
